Survey for Graduating Undergraduate Chemistry Majors
Department of Chemistry, Oregon State University

Interested in free pizza and soft drinks during Spring term dead week? Please complete this short survey and bring the completed form to the “Graduating Chem Majors Pizza Party” **Friday, June 7 at 3 pm in GilB 324**. The information you provide is important to improve the chemistry programs and to recruit new chemistry majors.

Your Name: _____________________________

Your Permanent Mailing Address (Street, City, State, Zip):

Your Permanent Email Address: _____________________________ (so we can reach you in the future to find out what exciting things you’ve been up to)

1. What were the most relevant or personally meaningful experiences that you had as part of the chemistry program?

2. How would you rate the quality of your advanced chemistry lab courses on a scale of 1 (lowest) to 5 (highest)? To you, what were the most effective lab courses? What were the best aspects of the lab courses and what could be improved?
3. How would you rate the quality of your chemistry lecture courses on a scale of 1 (lowest) to 5 (highest)? To you, what were the most effective lecture courses? What were the best aspects of the lecture courses and what could be improved?

4. How would you rate the quality of the advising you received on a scale of 1 (lowest) to 5 (highest). What was best about your advising experience and what could be improved?

5. How would you rate the overall quality of your undergraduate chemistry experience, program, and faculty on a scale of 1 (lowest) 5 (highest). What are the primary strengths and weaknesses?

6. What would you suggest as one or two major ways to improve our undergraduate chemistry program and experience?

7. What are your future career plans? Please include your place of employment and position or indicate the graduate and professional schools that you have applied to and which one you have decided to attend.

We wish you the best in your chemistry career and encourage you to keep in contact with us about your successes.
